

atlas

Share your story, pin your history.

Problem:

Despite having **rich histories and experiences**, older adults often feel hesitant about sharing their stories.

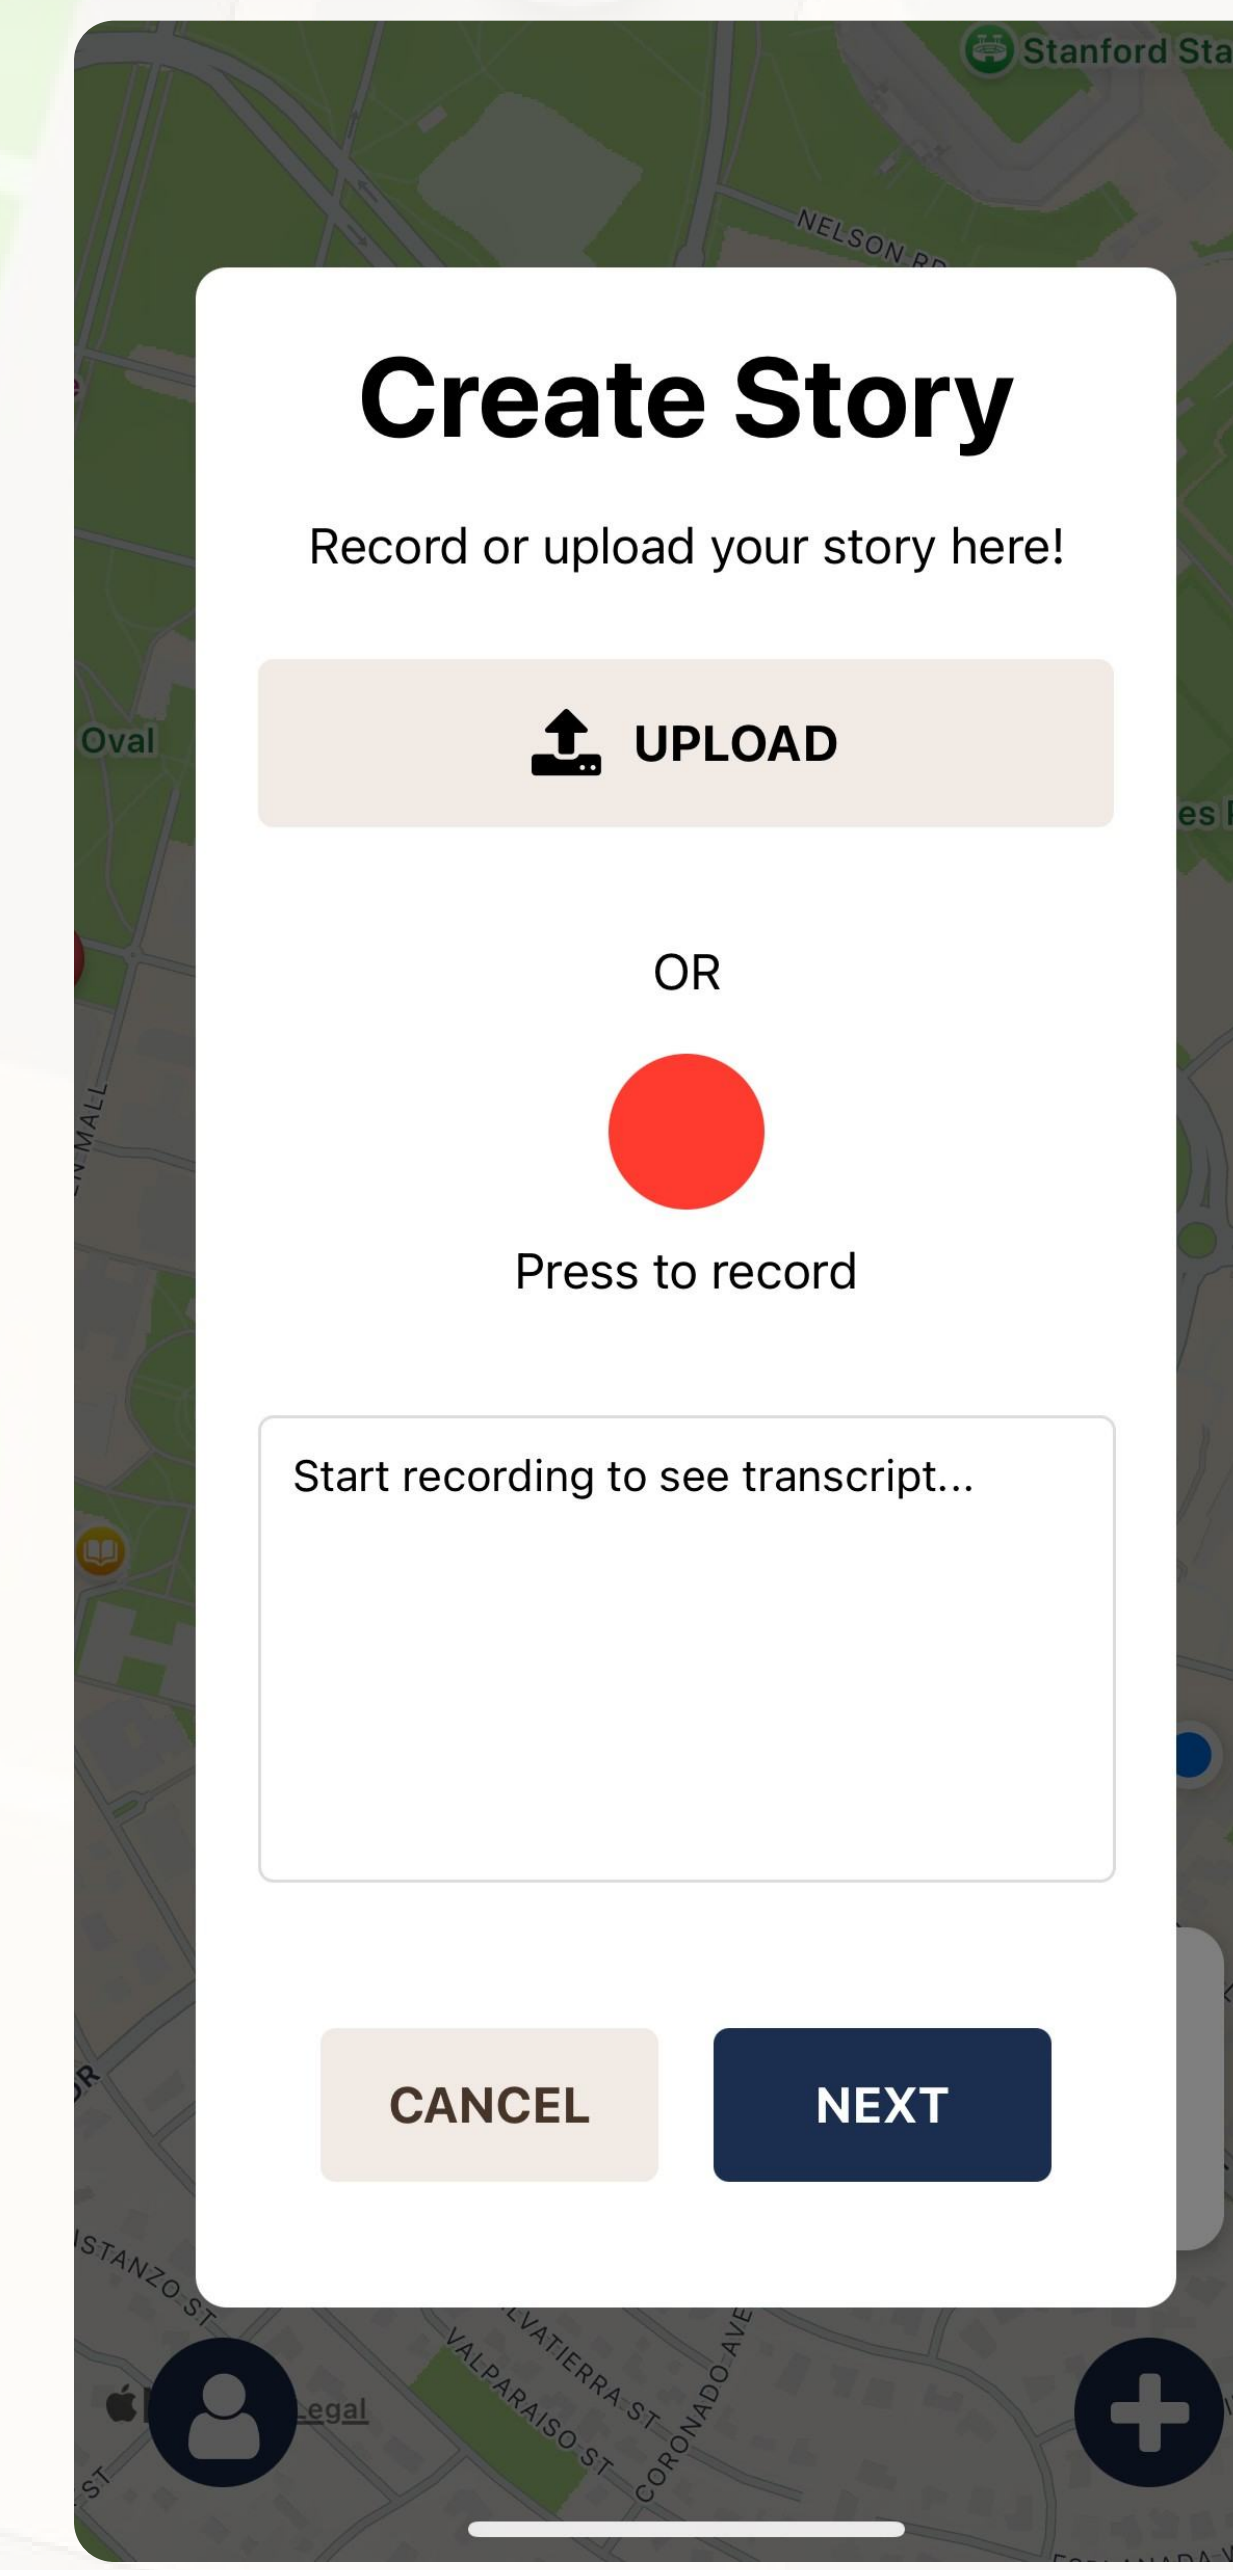

Solution:

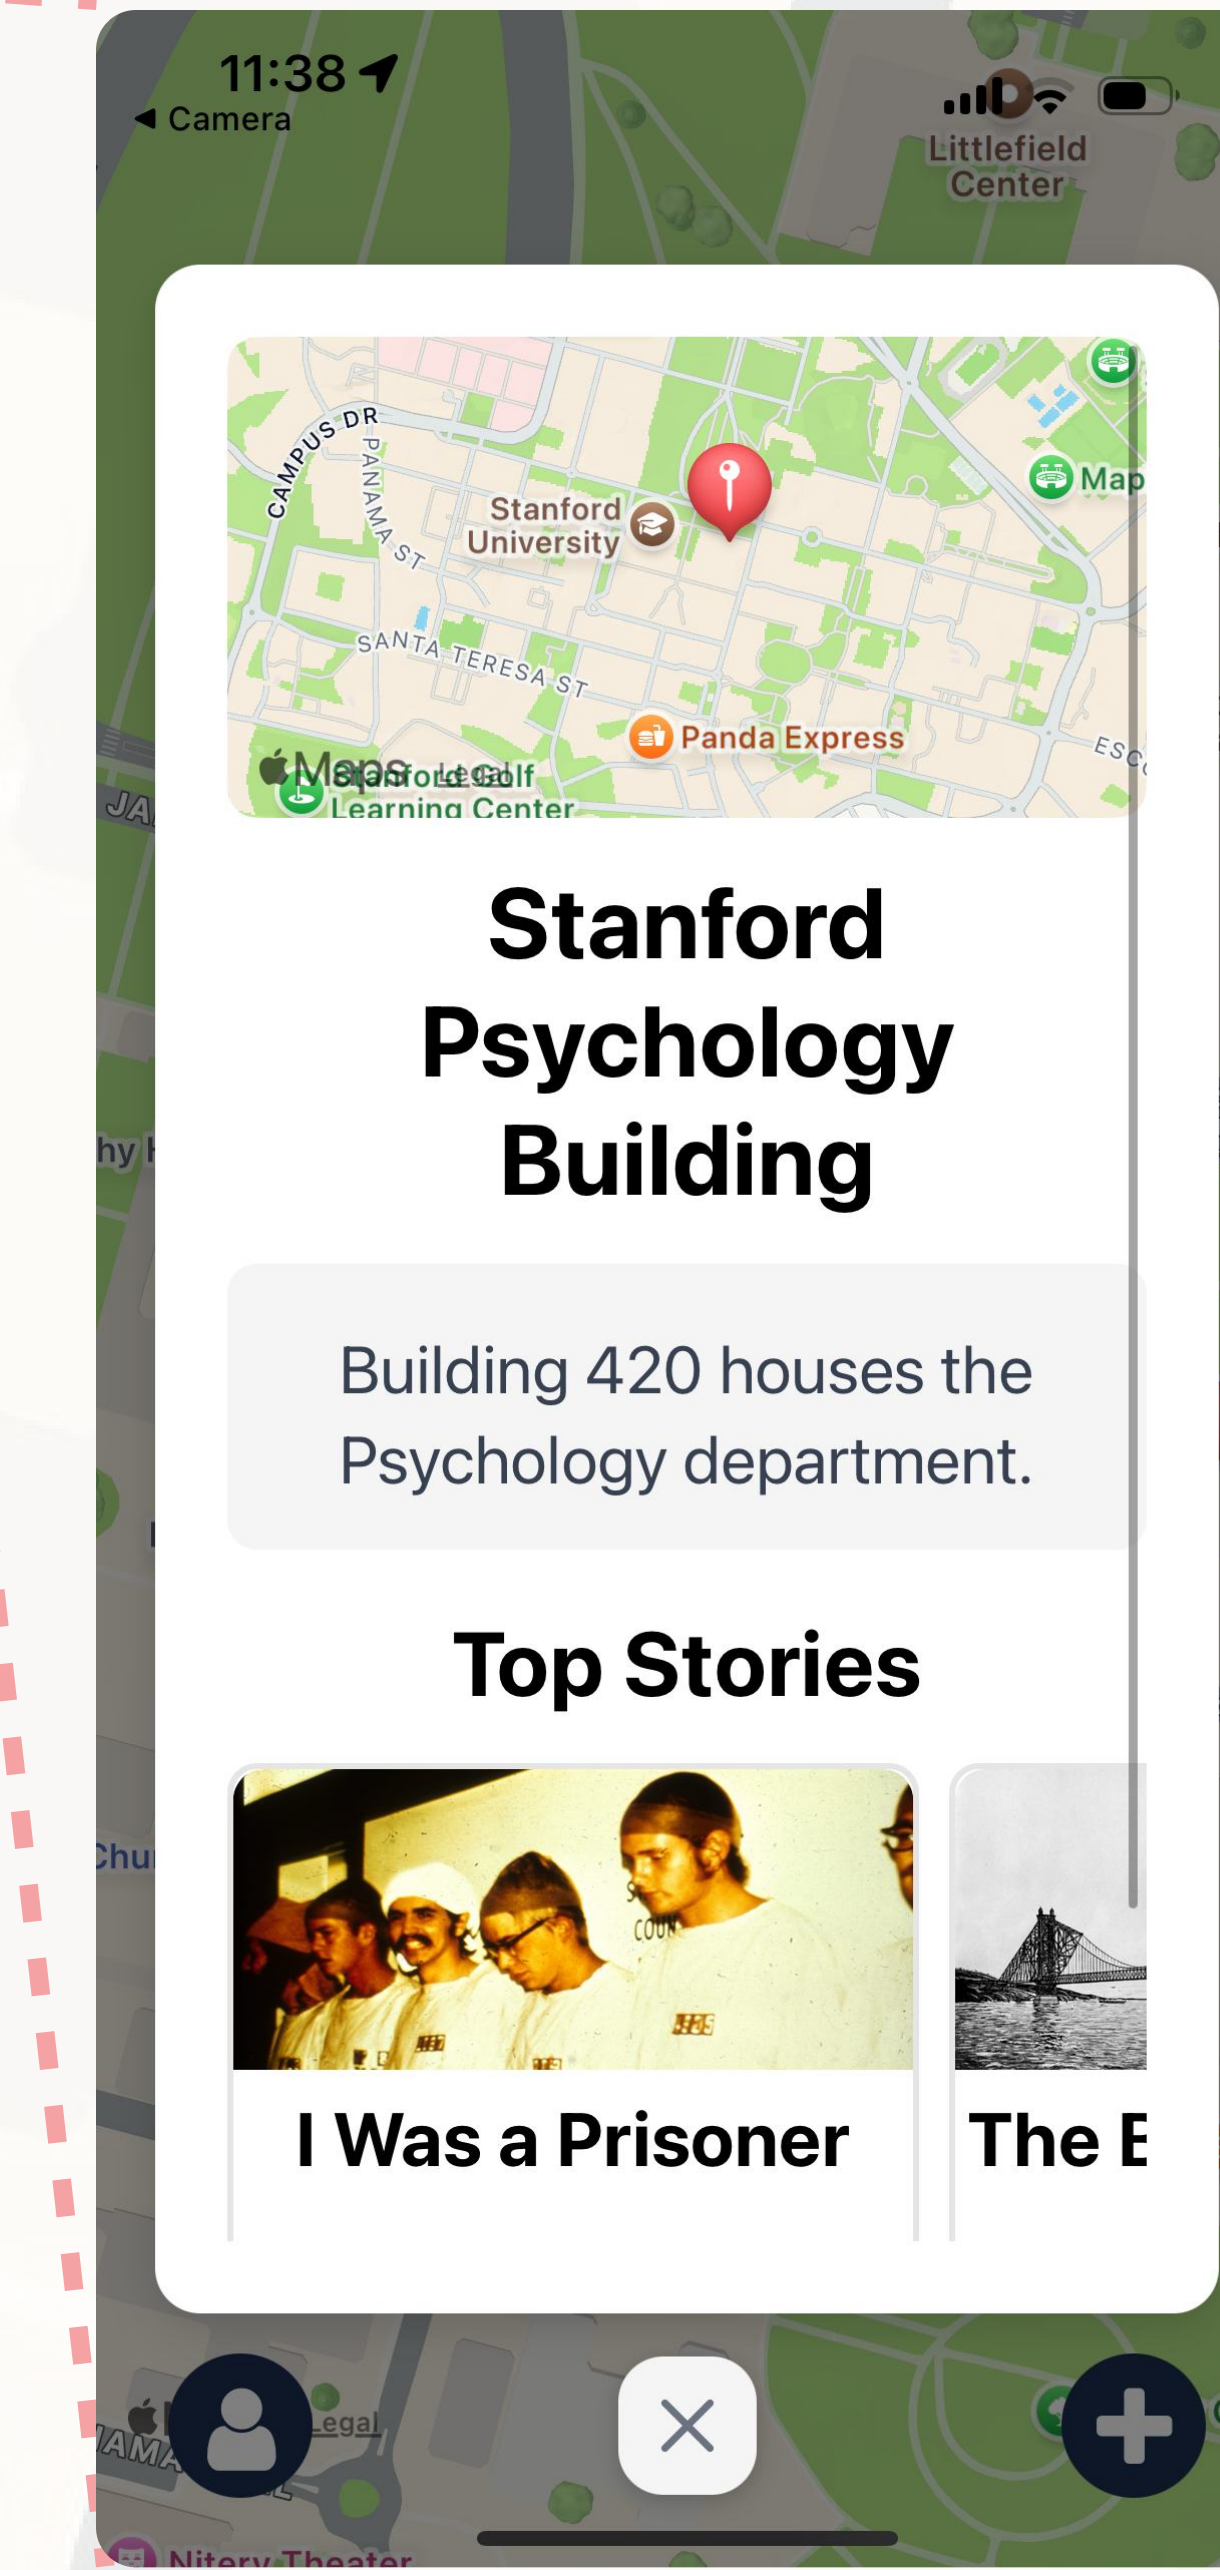

Atlas is a **crowd-sourced oral history adventure** for users of all ages to experience. Older adults can share their captivating stories with the world or with their family and all users can learn about history through rare first-person perspectives.

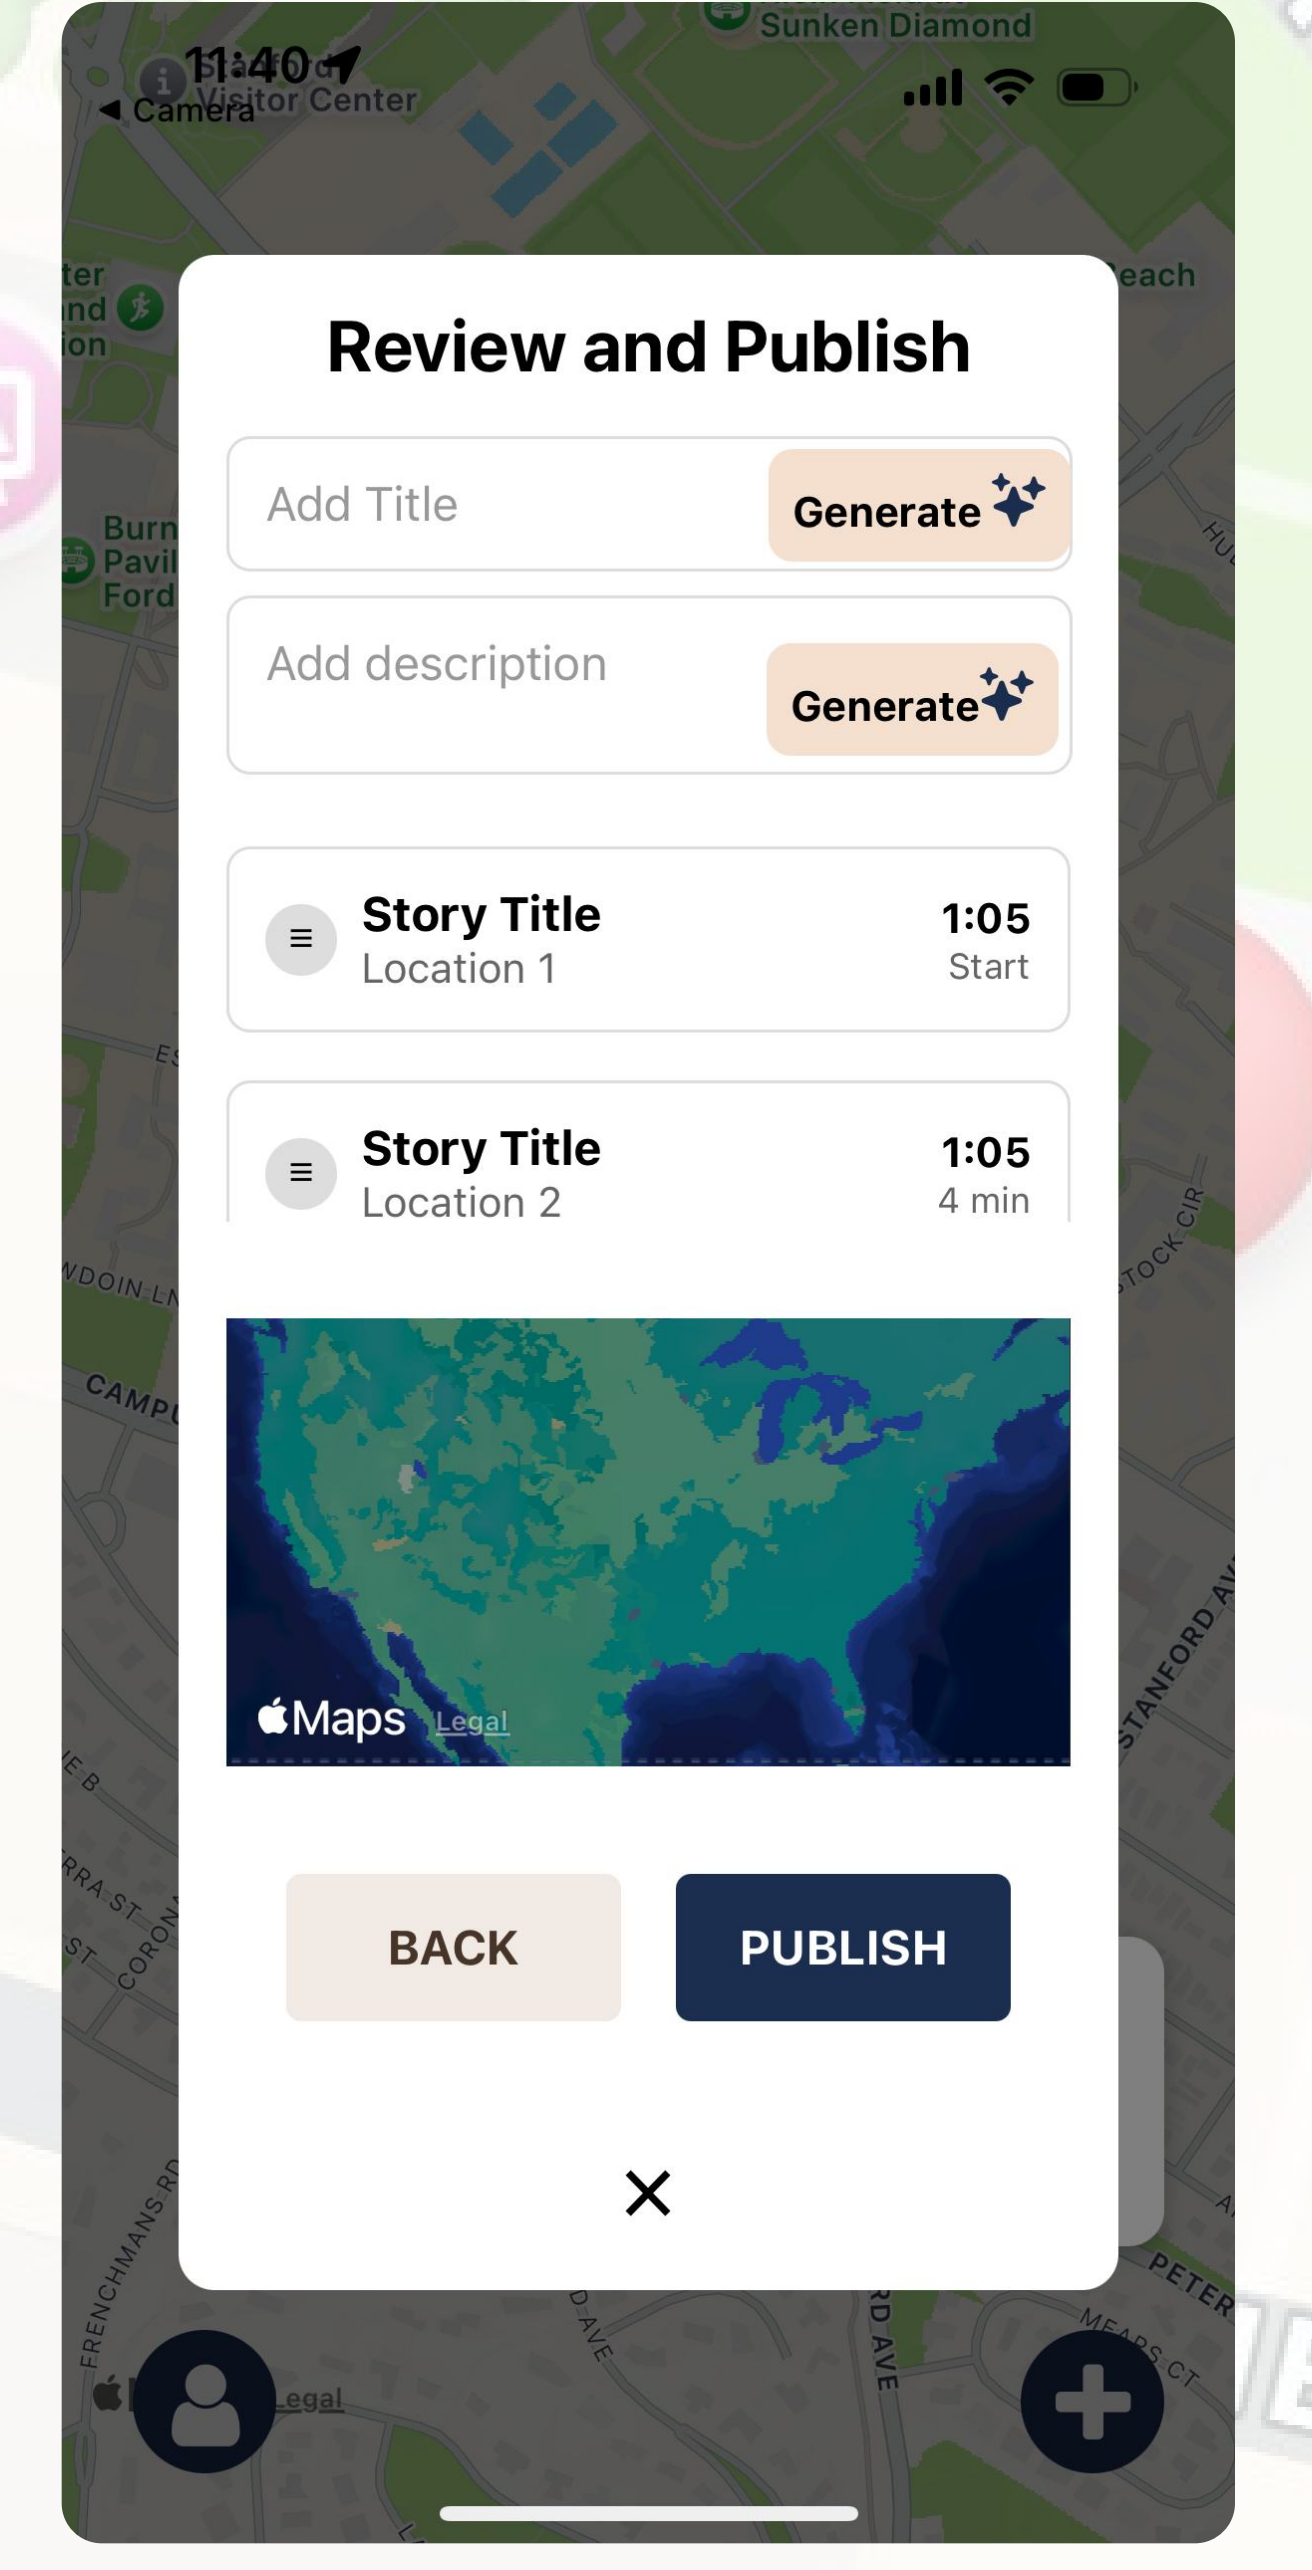

Key Features:

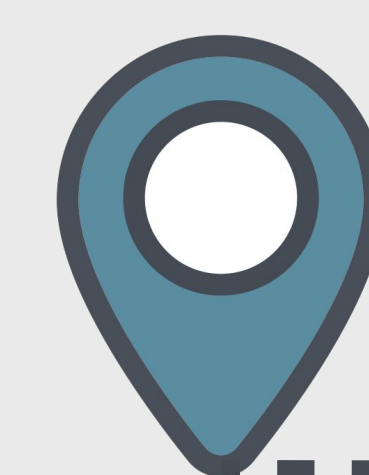

SHARE YOUR STORIES

EXPLORE NEARBY HISTORY

CREATE AND EXPLORE CURATED STORY GUIDES

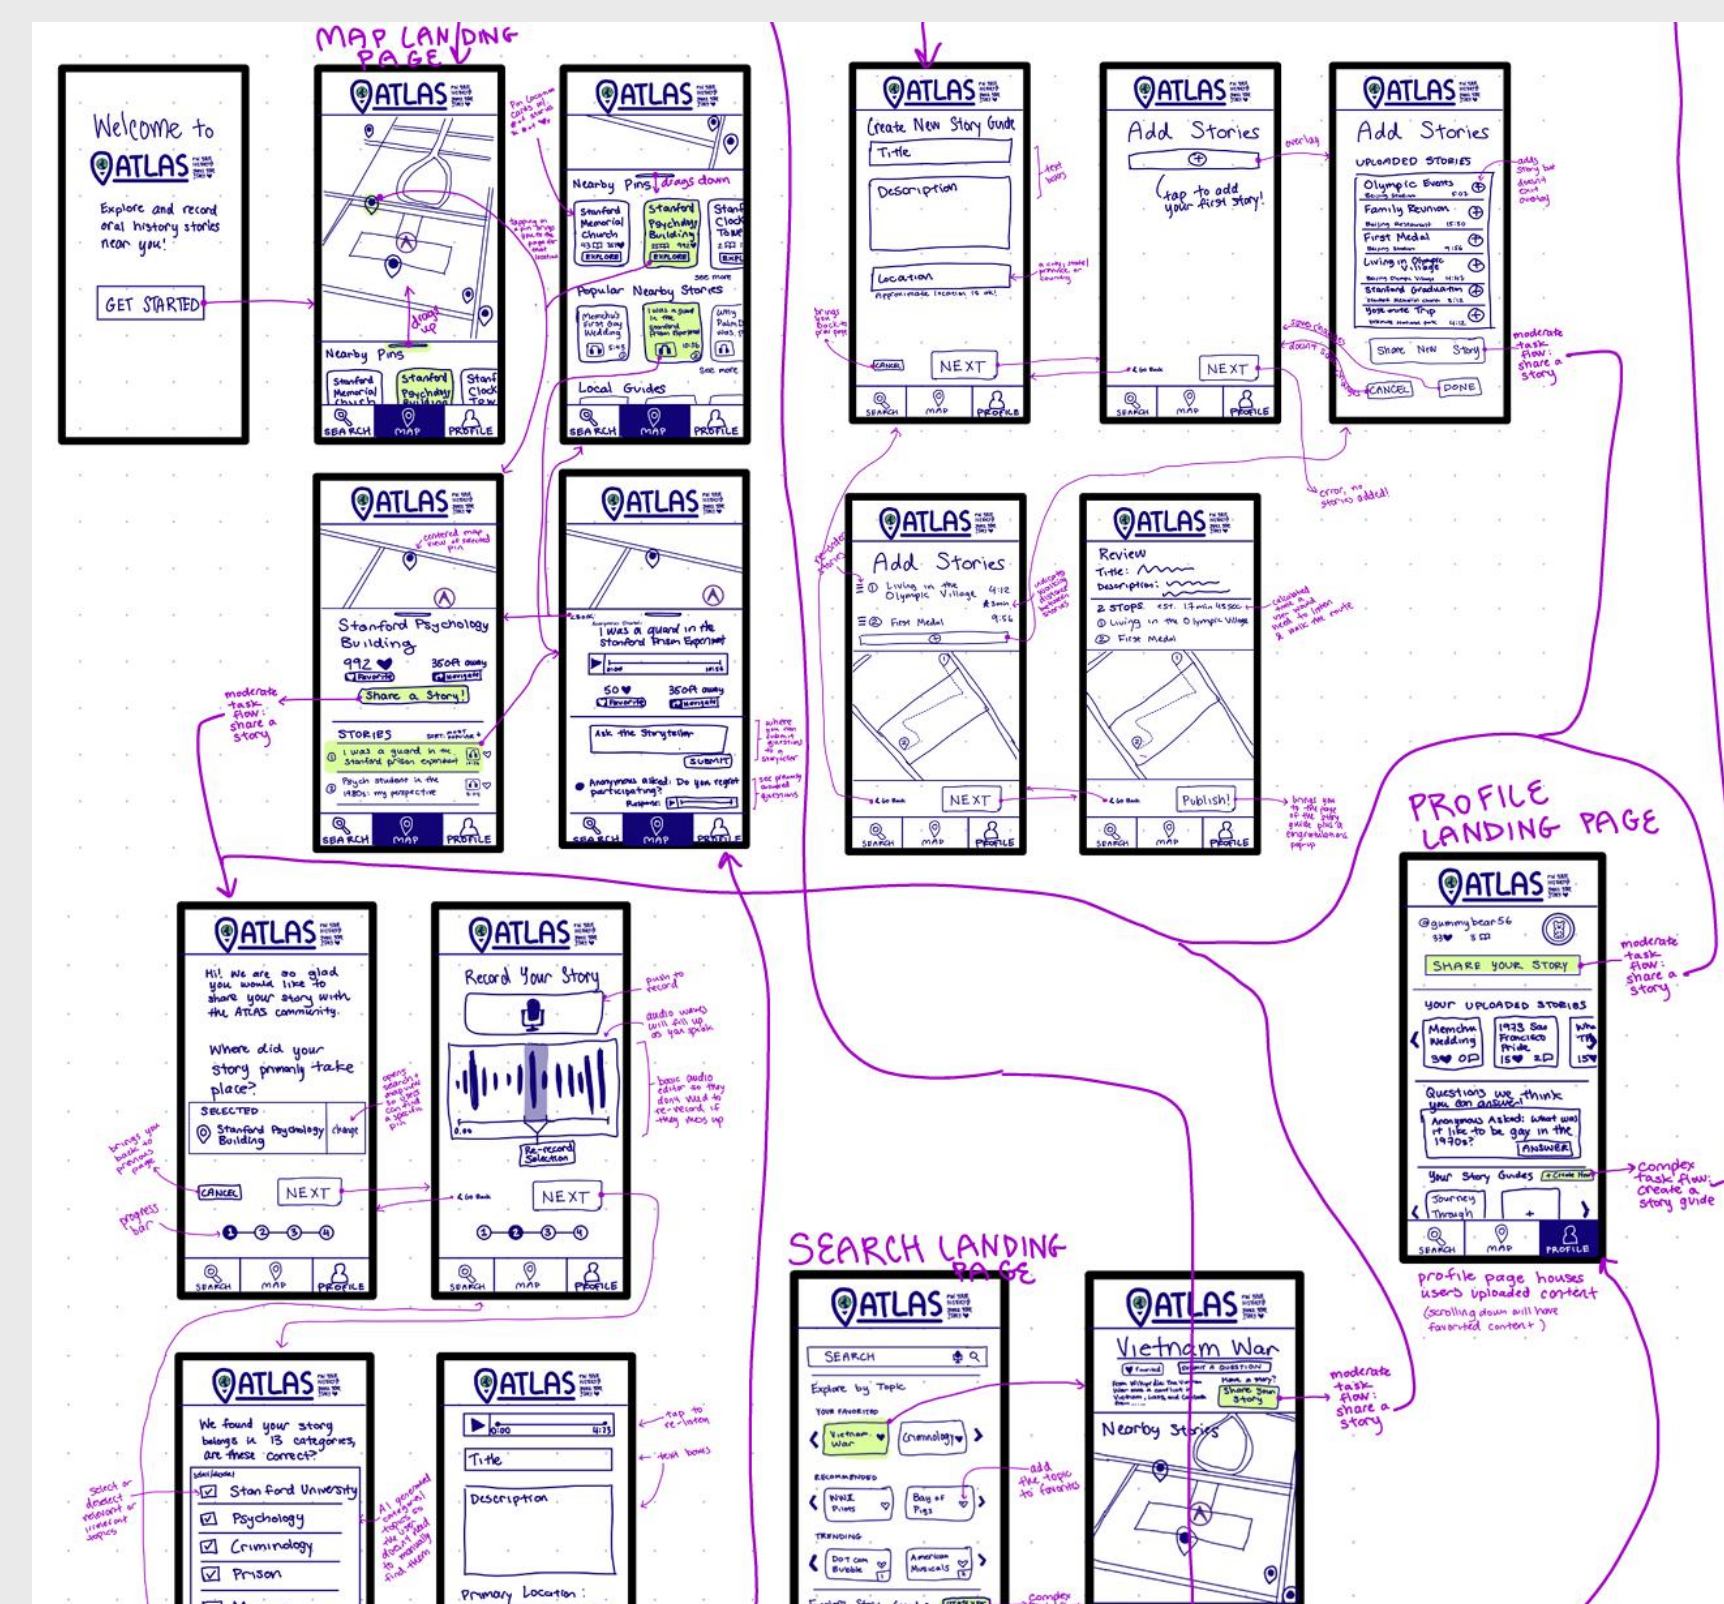

Design Process

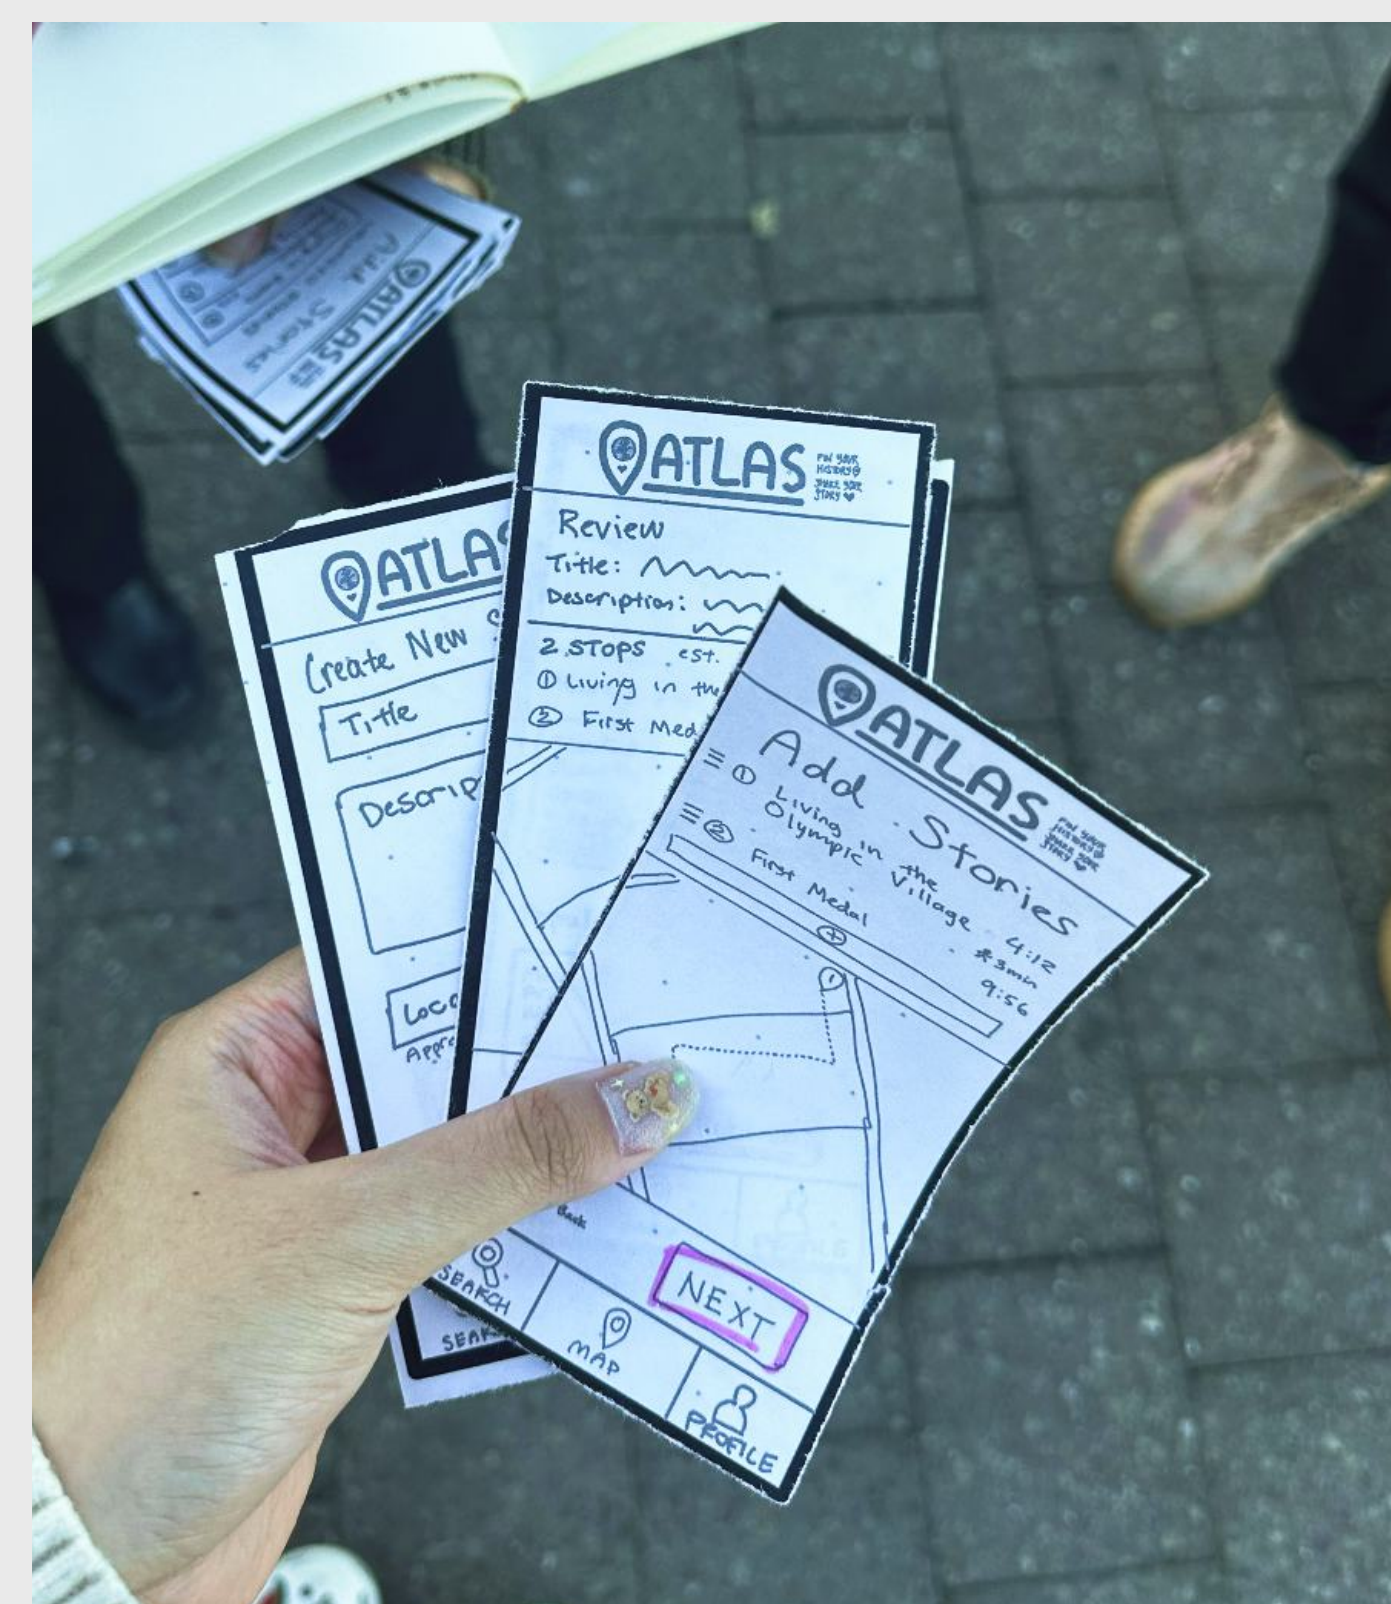

1. Needfinding and Ideation

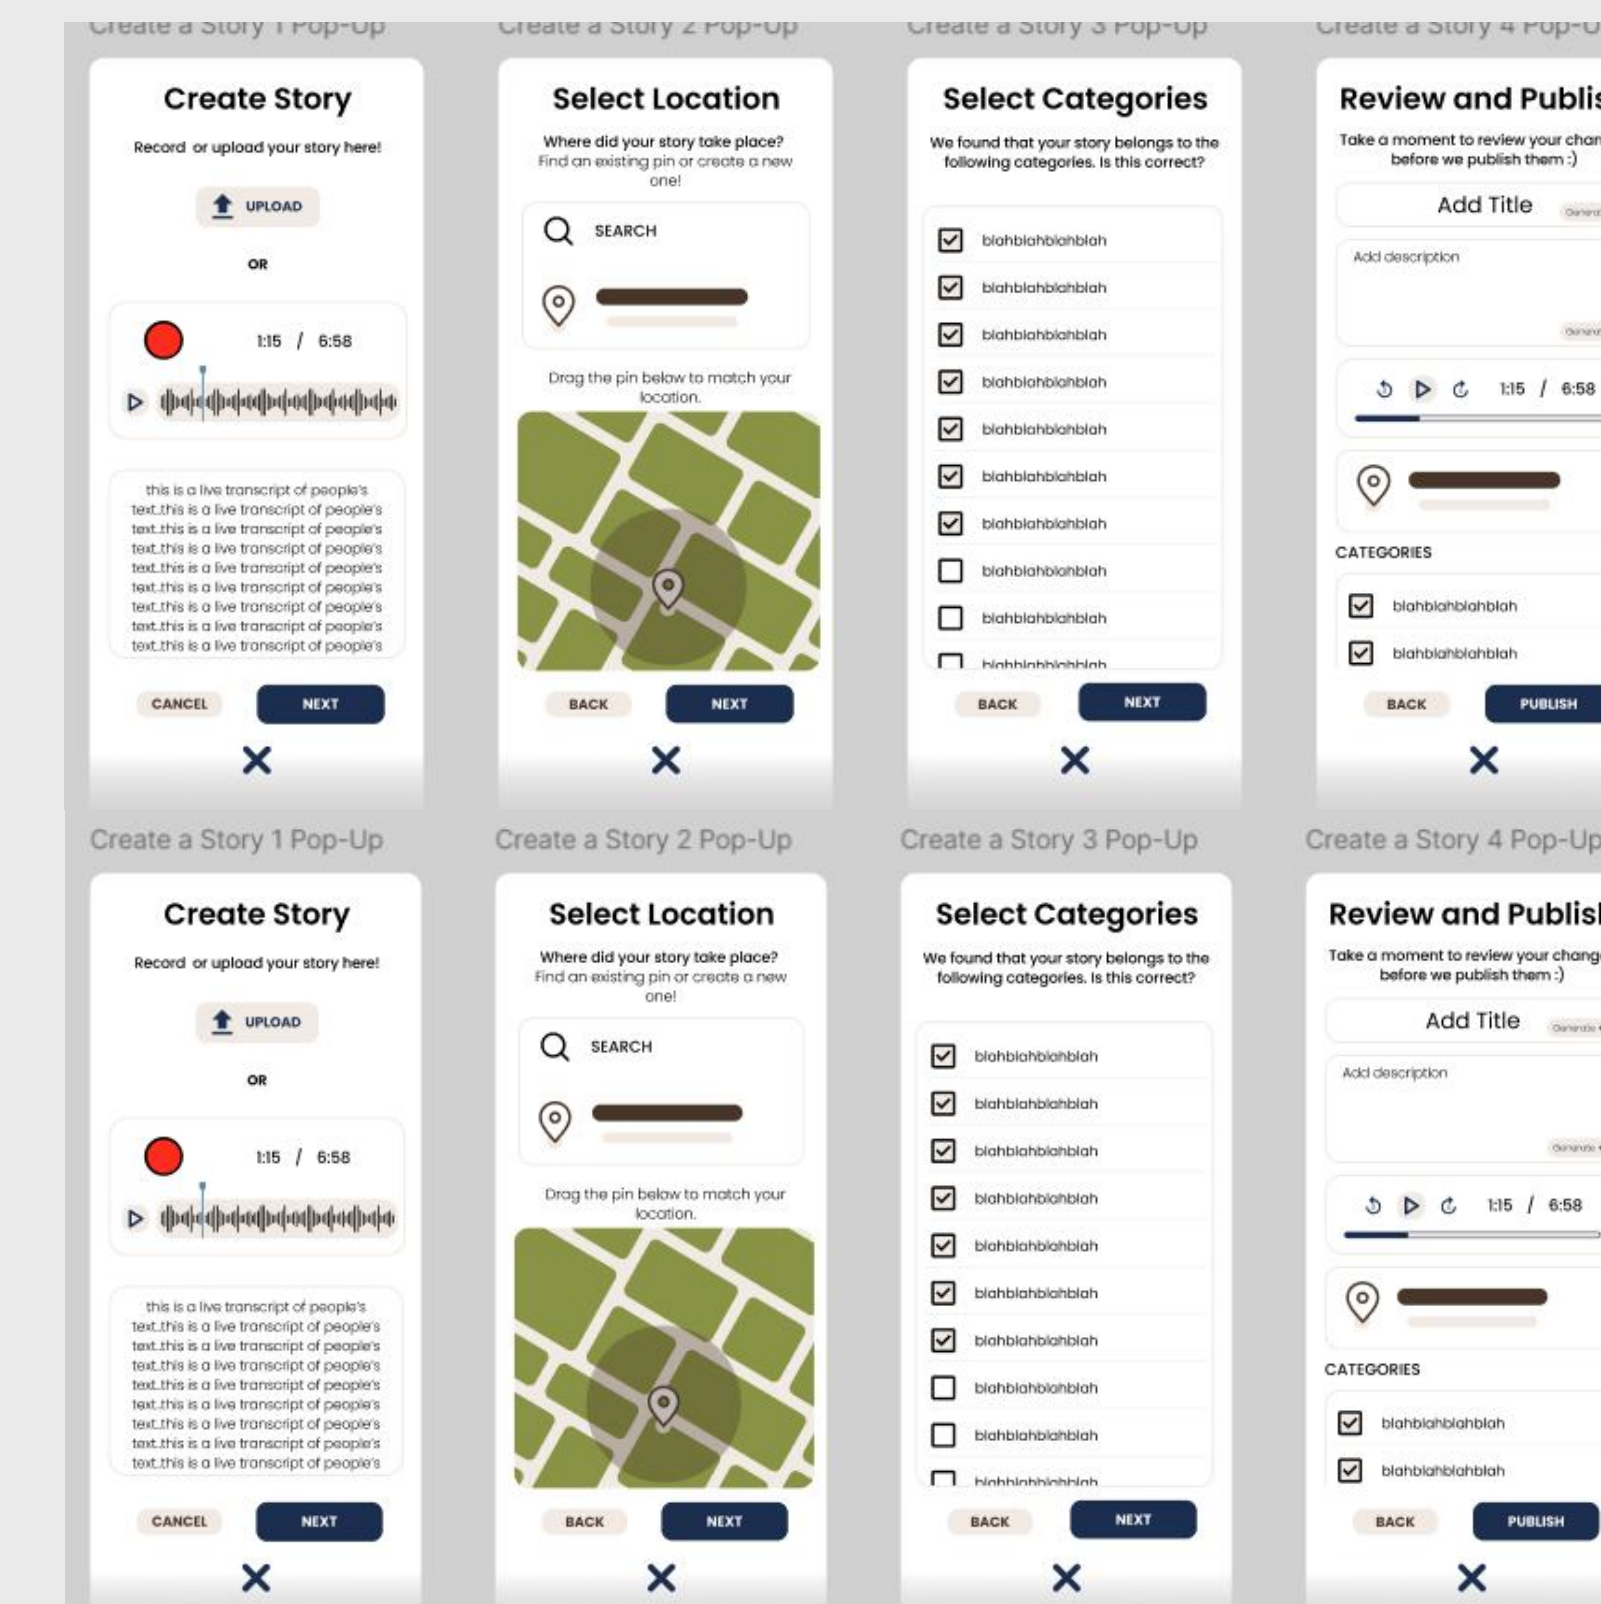

2. Lo-Fi Prototype
